

Dental Hygiene (continued)

Circle the correct answer.

An adult has more teeth than a child.
fewer

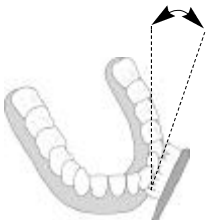

I Take Care of my Teeth

Cross out the wrong answer.

- 1. By brushing my teeth: before every meal.
~~after every meal.~~
- 2. By going to the dentist: at least once a year.
~~only when I have toothache.~~
- 3. By not eating too often: milk and cheese.
~~sweets.~~

How to clean teeth

Look at these drawings showing how to clean our teeth and describe how we should do it.
